## FISCAL NOTE

June 22, 1989

TO: Honorable John T. Montford, Chairman  
Committee on State Affairs  
Senate Chamber  
Austin, Texas

In Re: Senate Bill No. 4,  
First Called Session  
By: Leedom

FROM: Jim Oliver, Director

In response to your request for a Fiscal Note on Senate Bill No. 4, First Called Session (relating to printing and graphic arts evaluations by the State Purchasing and General Services Commission and to enforcement of a penalty) this office has determined the following:

The bill would make no appropriation but could provide the legal basis for an appropriation of funds to implement the provisions of the bill.

The bill would require the State Purchasing and General Services Commission to assist state agencies in evaluation of their printing and graphic art activities. The commission would be responsible for identifying and encouraging the use of cost effective practices in printing and graphics operations. In addition, SPGSC would be authorized to: 1) evaluate and coordinate the acquisition of printing and graphic arts services and equipment; 2) serve as a resource on available state capabilities and private vendor services; and 3) coordinate the consolidation of state print shops when requested by the affected agencies.

The fiscal implications to the State from the cost effective practices in printing and graphics operations cannot be determined, since those state agencies that would comply with the review authority of the commission is not known.

The probable administrative cost of implementing the provisions of the bill during each of the first five years following passage is estimated as follows:

<u>Fiscal Year</u>	<u>Probable Cost Out of the General Revenue Fund</u>	<u>Change in Number of State Employees from FY 1989</u>
1990	\$231,722	+6
1991	201,202	+6
1992	201,402	+6
1993	201,602	+6
1994	201,802	+6

Similar annual costs would continue as long as the provisions of the bill are in effect.

No fiscal implication to units of local government is anticipated.
